SUMMARY

MSc in Data Science candidate with hands-on experience in Python development, data analysis, and machine learning. Completed Full Stack Python Developer course and a Master in Data Science program at 3RI Technologies.

I have a proven ability to apply advanced analytical skills to solve complex problems and deliver actionable insights. Strong foundation in statistical analysis, database management, and web development. I am eager to contribute expertise to a dynamic team in a challenging data analyst role.

EXPERIENCE

On-the-Job Training (OJT) Experience:

Company: Dr. D. Y. Patil Unitech Software Development Cell

Duration: [1st March 2024 to 25th April 2024]

Role/Responsibilities:

Immersed in real-world software development projects focusing on HR analytics and dashboard creation.

Utilized Power BI, Tableau, and R Studio to analyze data, design interactive dashboards, and derive actionable insights.
